

Other Ways to Contribute

We rely on generous support to help transform the lives of teen boys. Here's how you can help with material and service donations that drive our mission forward.

Phase 1: Character Development (Ages 10-14)

- ☐ One-day meal allowance for a participant: Estimated cost \$25
- ☐ One-week transportation for a participant: Estimated cost \$40
- ☐ One-week materials for skill-building workshops: Estimated cost \$100
- ☐ One local trip or outing for a participant: Estimated cost \$150
- ☐ One-week meals for a participant: Estimated cost \$125
- ☐ One month of program sponsorship for a participant, covering food, transportation, and materials: Estimated cost \$500
- ☐ One group outing, including transportation and meals for all participants: Estimated cost \$1,000

Phase 2: Skills for Youth (Ages 15-18)

1. Miscellaneous (Essentials to Keep the Program Running)

- ☐ Safety Gear (gloves, goggles, hard hats): Estimated cost \$250
- ☐ Transportation (van, gas, etc.): Estimated cost \$2,500
- ☐ Utility Setup & Property Maintenance: Estimated cost \$400/month
- ☐ Insurance for Property: Estimated cost \$1,600/year

2. Tools & Equipment (Equipping the Future Builders)

- ☐ Basic Hand Tools (hammers, screwdrivers, tape measures, etc.): Estimated cost \$800
- ☐ Power Tools (drill, saw, sander, etc.): Estimated cost \$2,500

3. Renovation Materials (Creating Real-World Opportunities)

- ☐ Paint & Primer: Estimated cost \$350
- ☐ Wood & Lumber: Estimated cost \$1,000
- ☐ Plumbing & Electrical Supplies: Estimated cost \$700
- ☐ Flooring Materials (laminated, tile, or carpet): Estimated cost \$2,000
- ☐ Bathroom Renovation: Estimated cost \$4,000
- ☐ Kitchen Renovation: Estimated cost \$6,000

4. Stipends for Teen Boys (Empowering the Workforce)

- ☐ Weekly Stipend (per person): Estimated cost \$200/week
- ☐ A 7-participant, 3-month program: Estimated cost \$5,600/month

5. Home Purchase for Teen Boys to Work On & Learn Skills (The Foundation of the Program)

The purchase of these homes is a crucial part of the program, providing real-world experience while teaching valuable construction and renovation skills that prepare them for future careers.

- ☐ The estimated cost of a home, depending on location \$40,000 – \$50,000

Summer Community Lawn Crew

1. Stipends for Participants

- ☐ A participant's one-day work: Estimated cost \$50
- ☐ A participant's full week of work: Estimated cost \$150
- ☐ A participant's one month of work: Estimated cost \$600

2. Yard Equipment and Supplies

- ☐ A set of gardening gloves and safety goggles: Estimated cost \$25
- ☐ A lawn care starter kit (trimmer, rake, gloves, trash bags): Estimated cost \$100
- ☐ A heavy-duty lawn mower: Estimated cost \$300
- ☐ Essential tools and equipment: Estimated cost \$500

3. Program Support

- ☐ Lunch and snacks for a workday: Estimated cost \$75
- ☐ Transportation for one month: Estimated cost \$250

4. Impact Donations

- ☐ A full summer stipend for one participant: Estimated cost \$2,500
- ☐ Yard equipment and tools for the entire program: Estimated cost \$5,000
- ☐ Full stipends and equipment for all participants for the summer: Estimated cost \$10,000

Your support directly empowers participants to build brighter futures through hands-on experience, education, and the tools they need to succeed. Whether it's donating equipment, providing services, or investing in a home for our program, your generosity makes a lasting difference.

Thank you for helping us make a real impact!
